Purpose

Conference attendees are mainly primary sclerosing cholangitis (PSC) patients and their caregivers. Some medical and industry professionals who are interested in learning more about PSC, current medical research and potential treatments also attend.

Exhibits provide a professional and educational environment in which interested conference attendees have the opportunity to visit the booths in order to receive information about products, services and programs offered by the exhibiting company/organization. Attendees may also want to discuss clinical trial opportunities offered by pharmaceutical exhibitors.

The 2017 PSC Partners Seeking a Cure Annual Conference will be hosted in Cleveland in conjunction with the Cleveland Clinic Transplant Center and Digestive Disease and Surgery Institute on June 23 -25th, 2017. Exhibit opportunities are available on Friday, 06/23/17, and Saturday, 06/24/2017. Exhibitors must be pre-approved by PSC Partners Seeking a Cure.

For additional information on offerings, contact Meegan Carey, at contactus@pscpartners.org or (303) 771-5227. Our offices are located at 6900 E. Belleview Ave., Ste. 202, Greenwood Village, CO 80111.
