2. Can event expenses be reduced by getting goods/services donated?

ABOUT DONATIONS AND TAX DEDUCTIBILITY

1. How can donations be made to PSC Partners?

There are several ways for PSC Partners to receive funds:

1. To make a tax-deductible donation, checks must be payable to PSC Partners Seeking a Cure. Please send all donations to: PSC Partners Seeking a Cure 6900 E. Belleview Ave., Suite 202, Greenwood Village, CO 80111. State if your check is in honor of or in memory of someone and include their address and email so we can send them an acknowledgement of the donation. Include your email for acknowledgements and receipts. (We love saving on postage and using the funds towards our mission!)
2. To donate via the PSC Partners website with a credit card, go to: www.pscpartners.org . Click on the [Donate Now Button](#). Remember to tell donors to include your name/event in the memo section of their checks or payments. This is the only way we know the donation is part of your fundraiser.
3. Create your own personalized fundraising page through PSC Partners Seeking a Cure. After proposal approval, we'll provide you the easy-to-use tools to make your personalized page a reality. Why use a fundraising page? The answer is simple. Your fundraising page allows potential donors to have a direct link to make donations, find details about your event and more. In addition, the page automatically keeps track of all donations made to support your efforts. **Even better, creating a personal fundraising page through PSC Partners also means more money goes directly to PSC awareness, education and research by eliminating third-party fees required on other sites.** You get to promote your personalized site and fundraiser and we all benefit from the funds derived. If you have any questions regarding establishing a fundraiser page, please contact our Fundraising Committee at contactus@pscpartners.org We'll look forward to hearing from you!
4. Some fundraisers choose to utilize third party fundraising companies (like FirstGiving, Network for Good, JustGive) by creating personal fundraiser pages. Let us know if you are setting up a page that designates PSC Partners Seeking a Cure as the beneficiary so we can confirm funds designated to be received. *Be aware of fees charged to process donations. They can vary greatly from site to site.*

2. How can donors receive a tax-deductible receipt for their donation?

- Official tax receipts are generated only by PSC Partners. PSC Partners will send a donation receipt for all funds directly received either by check or through the PSC Partners website. **Please be sure that donor information, email and contact data is submitted with the donation** so we can properly acknowledge all donations. **Also remind your donors to list you or your event in the memo section of their donation.**
- Please be aware and communicate with your supporters that the following items are NOT tax-deductible: raffle or payment for gaming-style activities, donations of services or auction purchases. Donations made to an organizer or other source will only be sent a general acknowledgement letter with no value attached. PSC Partners must be provided with donor contact and donation information in order to send these letters. For each contribution of \$250 or more by an individual donor, you agree to provide individual donor and donation information (including donor name, address, e-mail, and amount of contribution) to PSC Partners for the purpose of donor acknowledgement.

3. Can a supporter make a donation and remain anonymous?

PSC Partners will accept a donation and keep the identity of the donor anonymous to the extent permitted by law. We will do our best to always honor the intentions of our donors and respect requests for anonymity. If a donor wishes to remain anonymous, please communicate these wishes when submitting the donation. We are required to keep records of all donations made to us and will provide receipts according to the type and level of support.
